

Upcoming Webinars

Welcome!

We're busy preparing for our 3-day virtual conference, the Virtual Learning Event, June 5-7.

In July, we'll host the first of a 3-part Family Finances series.

We hope you'll join us!

- June 5** **Understanding Your Client's Relationship With Money**
Register: <https://learn.extension.org/events/3320>
- June 6** **Empathy & Ethics in Personal Finance**
Register: <https://learn.extension.org/events/3321>
- June 7** **Communication Essentials for Financial Professionals**
Register: <https://learn.extension.org/events/3322>
- July 10** **Family Finances Series: Separation & Single Parenting in the Military**
Register: <https://learn.extension.org/events/3305>

Did you miss our April webinar? Watch the recording and earn CEUs for **Entrepreneurial Opportunities for Military Families:**
<https://learn.extension.org/events/3265>

All live and recorded webinars are approved for AFC and CPFC CEUs!

More from the Experts

By Carol Church

The military's new blended retirement system is in full effect as of January 2018, and the changes will mean that many more service members will leave service with substantial retirement savings. Overall, this is good news for the military population, more of whom will now have a nest egg in their later years. Read more from [Retirement Planning for Military Spouses](#)
