The OneOp Personal Finance team has provided a variety of no cost CEU-eligible professional development webinars this year that personal financial managers can access at any time.

- [Helping Gen Z Service Members Navigate Their Finances](#): Learn about the unique life experiences and financial understanding of Gen Z Service members, and discover tips and tools for working with this population in a financial counseling setting.
- [Understanding Buy Now, Pay Later Services](#): Gain an understanding of what Buy Now Pay Later services are, how they work, and the risks and realities involved.
- [Spouse Employment and Family Financial Readiness](#): Learn about education and career services available to military spouses to aid in overcoming their unique employment challenges.
- [The Importance of Estate Planning for Military Families](#): Learn how PFMs can support Service members and their families in a variety of estate planning areas.
- [Thrift Savings Plan Updates for 2022](#): Equip yourself with comprehensive knowledge of the latest Thrift Savings Plan (TSP) changes and gain a collection of resources to provide clients with further information.
- [Retirement Benefit Basics for Active Duty, Guard, and Reserve Components](#): Gain a solid understanding of retirement benefits available to the Total Force.
- [Financial Risk Management for Military Families](#): Learn about important insurance coverages and considerations needed for an effective risk management strategy.

Mark your calendar for the upcoming [2022 Personal Finance Year in Review](#) webinar on December 6 for a review of legislation and events that have impacted military personal finances during 2022 and trends that will continue to impact finances in the years ahead.
