

# Care Considerations for the Transgender and Gender-Diverse Military Community

Photo by Lisett Kruusimäe from Pexels

## ABOUT THIS WEBINAR:

This webinar focuses on applying affirmative, evidence-based best practices for care delivery for Transgender and Gender-Diverse adults in the military community. Attendees will receive a review of research-informed techniques as well as content geared towards skill development for delivering specialty care services.

## Learning Objectives:

1. Understand foundational terms and concepts for providing affirmative care to the LGBTQ+ community
2. Describe competency guidelines for providing transgender specialty care services (i.e., evaluations of readiness)
3. Identify special considerations for testing with the transgender and gender-diverse community
4. Apply affirmative care techniques through case vignette review and discussion
