ABOUT THIS WEBINAR:

Service providers equip military families with the knowledge they need for transitions, including exploring the pathways to home ownership. Service members need the education and planning assistance essential to make informed decisions in the ever changing housing market. Prepare to support Service members as they consider their housing options by attending this webinar. Sharpen your military home buying basics including evaluating the household budget, reviewing a credit report, explaining how to qualify for a home loan, and understanding the VA home loan benefit.

PRESENTERS:
