# Advancing Food Security for Military Families

A self-paced course developed by Dr. Angela Odoms-Young. Use this professional development opportunity to expand your capacity to support food security among the military families you serve.

- Learn about existing initiatives that address food insecurity in military families.
- Examine the multilevel factors that contribute to food insecurity in the military population.
- Explore innovative approaches that will help you assist military families in accessing USDA food and nutrition assistance and education programs.

# Building Networks to Alleviate Food Insecurity

**July 28, 2023, 11 AM - 12:30 PM ET**

This interactive session guides participants through the process of creating a “food security resource guide” tailored to the location and populations they serve. Facilitators will lead activities designed to help family service providers immediately implement food security knowledge in their local communities.
