ABOUT THIS WEBINAR:

Active-duty suicide rates have gradually been on the rise since 2011 (DoD, 2023). Through this webinar, learn how to implement evidence-based public health approaches to suicide prevention. Specific focuses include how service providers can screen for suicide risk and align service delivery for military-connected adults.

Join this webinar to review the connection between anxiety, depression, and suicide risk, and join Dr. Keita Franklin, Co-Director of the Columbia Lighthouse Project, as she discusses best practices for engaging with individuals who are struggling.
