

Mobilizing Your Networks for Success!

SEPTEMBER 19, 2019
1:00 p.m. - 2:00 p.m. ET

Virtual Conference Session #6

Create a Network that Works

Engage with your peers to gain insights on working collaboratively!

In this session, Kristin Johnstad will situate key network concepts and practices into the work of military family service providers. She will discuss her own experiences working with a variety of organizations as they adopted a collaborative, networked approach to developing and providing family services. Bring your questions and experiences to share with Kristin and other participants as we develop a deeper understanding of what it means and what is required to engage in collaborative and integrated work with military families. Kristin will share some easy “getting started” activities and provide a free electronic toolkit of activities to use as your network—and the Family Readiness System—grows.
